

March Newsletter

March social brings great turnout!

The first social of 2008 took place last Thursday night at Roca Bar. It was the first night of March Madness and approximately 40 members came out to meet and network with some familiar and new faces.

CYP is a very friendly group and it is easy to come out, meet new people, and get involved.

Our membership continues to grow everyday. If you know of someone who would like to join our group, please contact Sherri Johnson at sjohnson@owensboro.com.
